Commissioner for Patents

Sir:

In response to the Examiner's Supplemental Answer mailed on June 21, 2010, the Appellants hereby request that the appeal be maintained, and accordingly Respond as follows:

**(4) Status of the Amendments After Final**

The Examiner alleges that Appellants' statement of the status of amendments after final rejection is incorrect, and notes that the amendment after final filed on Aug. 11, 2009 has not been entered.

However, the Appellants did not file an amendment (or any other document) on Aug. 11, 2009. The Appellants' filed an after final amendment on July 2, 2009, and as noted in Appellants' Appeal Brief, the claim amendments contained therein were not entered. As a result, the Examiner's objection is unclear.
